I Know Him So Well

Musik und Text:
Benny Andersson/Tim Rice/Björn Ulvaeus

Nothing is so good it lasts eternity,
Looking back I could have played it differently...

Situations must go wrong,
Winn a few more moments, who can tell?

No-one in your life is with you constantly,
Looking back I could have played it differently,
no-one is completely on your side.

And though I move my world to be with him,
But I was ever so much younger then,
still the gap between us is too wide.

now at least I know, I know him well. Wasn't it good?

Wasn't he fine? Isn't it sadness he won't be mine?

Did I know how it would go if I knew from the start.

But this has never yet prevented me, wanting far too much for far too
But it took time to understand the man. Now at least I know, I know him

1. long. 2. well. Wasn't it good? Wasn't he fine

Isn't it madness he can't be mine? But

in the end he needs a little bit more than me, more security.

I know him so well.
Why am I falling apart? Wasn't it good?

Wasn't he fine? Isn't it madness he won't be mine?

But in the end he needs a little bit more than me, more security.

I know him so well, it took time to understand him.

I know him so well.
