There's talk on the street; it sounds so familiar.
You look in her eyes; the music begins to play.

Great expectations, everybody's
Hopeless romantics, here we

watching you again.
People you meet,
But after a while

they all seem to know you.
You're looking the other way.
It's those restless

friends treat you like you're something new.
Hearts that never mend.
Johnny-come-lately,
the new kid in town.

Everybody loves you,
so don't let them down.

Will she still love you
when you're not around?

There's so many things you should have told her.
but night after night you're willing to hold her, just hold her.

Tears on your shoulder. There's talk on the street; it's there to remind you

that it doesn't really matter which side you're on.

You're walking away and they're talking be-

Ev-ry- bod- y loves him, don’t they? Now he’s hold- ing
her, and you're still around. Oh, my, my.

There's a new kid in town,

just another new kid in town.

Ooh, hoo. Everybody's talking 'bout the new kid in town.
Ooh, hoo.
Everybody's walking like the new kid in town.
There's a new kid in town.

I don't want to hear it. There's a new kid in town.
I don't want to hear it. There's a

new kid in town.
There's a new kid in town.
