You were so blind to let me go.
You'll change your mind and call my name.

Soon as you find they're all not the same.
No one you'll find will ever be alone.

closer to all your dreams than me.
don't come back cry'n. You should a-have known.
Believing the grass would be greener.
Believe me, I'm not pretending.

You told yourself "I just don't need her now."
It's not hard to predict, this ending's yours.

But I know you'll soon discover you're never satisfied with anything.
Discovering me in spite of all the others.
Some day, oo some day, the one you gave away will be the only one you're wishing for.

Some day, hey hey,

boy, you're gonna pay 'cause baby, I'm the one who's keeping score.
I'm the one who's keeping score.

Maybe now you just can't conceive that there'll ever come a time when you're cold and lonely.

Baby, how could you ever believe that another could replace me, the one and only.

But when you're down in your time of need and you're thinking how you might be coming back to own me,
just think a-gain 'cause I won't need your love an-y-
more!
