Frozen - 5 - 4
You waste your time with hate and regret.
Let all the hurt inside of you die.
How can life be what you want it to be?

when your heart's not open.
when your heart's not open.
when your heart's not open.

Chorus:
Mm, if I could melt your heart,

mm, we'd never be apart.
1. You only see what your eyes want to see.
2. Now, there's no point in placing the blame,

How can life be what you want it to be? If I should lose you,
and How should know I suffer the same.

when your heart's not open.
my heart will be broken.

% Verse 3:
You're so consumed with how much you get.
Love is a bird, she needs to fly.

3. You only see what your eyes want to see.
