Hey, look me over...
Tell me, do you like what you see?
Hey, take a listen...
Tell me, do you like what you hear?
If it don't turn on, I ain't got no just mon money, but honey, I'm rich on personality...
say the word and I'm gone, but honey, I know ain't nothing wrong with your ears.
Hey, check it all out.
Hey, check it all out.
Baby, I know what it's all about,
Better look now or it just might be too late.

For the night is through you will see my point of view,
Luck's gonna change tonight. There's gotta be a better life.

Even if I have to scream and shout,
Oh, baby, I'm a star.

I ain't got time to waste,
Oh, baby, I'm a star.
Might not know it now,

might not know it now,

baby, but I r, I'm a
don't wan- na stop

'til I reach the top. (We r all a star.)
