GUITAR TAB GLOSSARY **

TABLATURE EXPLANATION

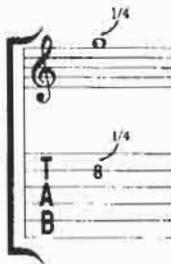

READING TABLATURE: Tablature illustrates the six strings of the guitar. Notes and chords are indicated by the placement of fret numbers on a given string(s).

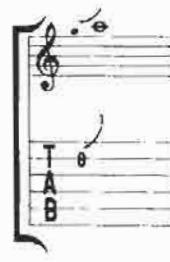

BENDING NOTES

HALF STEP: Play the note and bend string one half step.*

SLIGHT BEND (Microtone): Play the note and bend string slightly to the equivalent of half a fret.

WHOLE STEP: Play the note and bend string one whole step.

PREBEND (Ghost Bend): Bend to the specified note, before the string is picked.

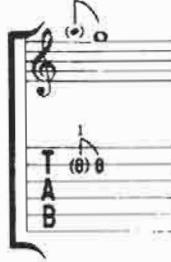

WHOLE STEP AND A HALF: Play the note and bend string a whole step and a half.

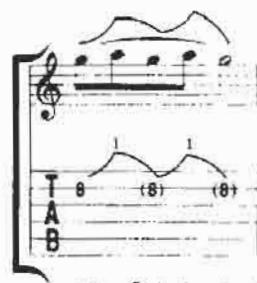

PREBEND AND RELEASE: Bend the string, play it, then release to the original note.

TWO STEPS: Play the note and bend string two whole steps.

REVERSE BEND: Play the already-bent string, then immediately drop it down to the fretted note.

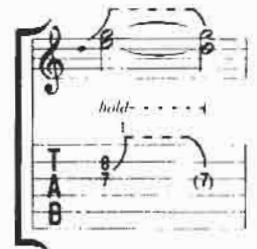

BEND AND RELEASE: Play the note and gradually bend to the next pitch, then release to the original note. Only the first note is attacked.

BENDS INVOLVING MORE THAN ONE STRING: Play the note and bend string

while playing an additional note (or notes) on another string(s). Upon release, relieve pressure from additional note(s), causing original note to sound alone.

BENDS INVOLVING STATIONARY NOTES: Play notes and bend lower pitch, then hold until

release begins (indicated at the point where line becomes solid).

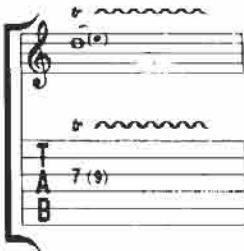

UNISON BEND: Play both notes and immediately bend the lower note to the same pitch as the higher note.

DOUBLE NOTE BEND: Play both notes and immediately bend both strings simultaneously.

*A half step is the smallest interval in Western music; it is equal to one fret. A whole step equals two frets.

TRILL:
Hammer on and pull off consecutively and as fast as possible between the original note and the grace note.

ACCENT:
Notes or chords are to be played with added emphasis.

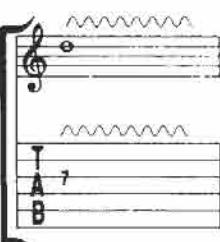

STACCATO (Detached Notes):
Notes or chords are to be played roughly

half their actual value and with separation.

DOWN STROKES AND UPSTROKES:
Notes or chords are to be played with either a downstroke (▨) or upstroke (▻) of the pick.

VIBRATO: The pitch of a note is varied by a rapid shaking of the fret hand finger, wrist, and forearm.

HARMONICS

NATURAL HARMONIC:
A finger of the fret hand lightly touches the note or notes indicated in the tab and is played by the pick hand.

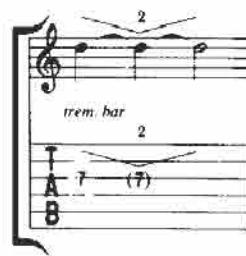

ARTIFICIAL HARMONIC:
The first tab number is fretted, then the pick hand produces the harmonic by using a finger to lightly touch the same string at the second tab number (in parenthesis) and is then picked by another finger.

ARTIFICIAL "PINCH" HARMONIC:
A note is fretted as indicated by the tab, then the pick hand

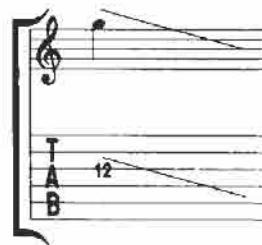

produces the harmonic by squeezing the pick firmly while using the tip of the index finger in the pick attack. If parenthesis are found around the fretted note, it does not sound. No parenthesis means both the fretted note and A.H. are heard simultaneously.

TREMOLO BAR

SPECIFIED INTERVAL:
The pitch of a note or chord is lowered to a specified interval and then may or may not

return to the original pitch. The activity of the tremolo bar is graphically represented by peaks and valleys.

UN-SPECIFIED INTERVAL:
The pitch of a note or a chord is lowered to an unspecified interval.

RHYTHM SLASHES

STRUM INDICATIONS:
Strum with indicated rhythm.

The chord voicings are found on the first page of the transcription underneath the song title.

INDICATING SINGLE NOTES USING RHYTHM SLASHES:

Very often single notes are incorporated into a rhythm part. The note name is indicated above the rhythm slash with a fret number and a string indication.

ARTICULATIONS

HAMMER ON:
Play lower note, then "hammer on" to higher note with another finger. Only the first note is attacked.

LEFT HAND HAMMER:
Hammer on the first note played on each string with the left hand.

PULL OFF:
Play higher note, then "pull off" to lower note with another finger. Only the first note is attacked.

FRET-BOARD TAPPING:
"Tap" onto the note indicated by + with

a finger of the pick hand, then pull off to the following note held by the fret hand.

TAP SLIDE:
Same as fretboard tapping, but the tapped note is slid randomly up the

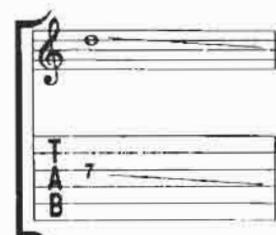

fretboard, then pulled off to the following note.

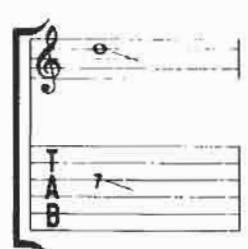

BEND AND TAP TECHNIQUE:
Play note and bend to specified interval. While holding bend, tap onto note indicated.

LEGATO SLIDE:
Play note and slide to the following note. (Only first note is attacked).

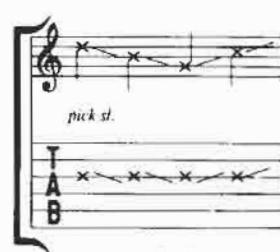

LONG GLISSANDO:
Play note and slide in specified direction for the full

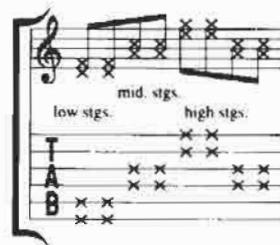

SHORT GLISSANDO: Play note for its full value and slide in specified direction at

the last possible moment.

PICK SLIDE:
Slide the edge of the pick in specified direction

across the length of the string(s).

MUTED STRINGS:
A percussive sound is made by laying the fret hand

across all six strings while pick hand strikes specified area (low, mid, high strings).

PALM MUTE:
The note or notes are muted by the palm of the pick hand by lightly touching the string(s) near the bridge.

TREMOLO PICKING: The note or notes are picked as fast as possible.

BURNOUT.

I declare I don't care no more
I'm burning up and out and
growing BORED
In my smoked out BORING room
My hair is shagging in my eyes
Dragging my feet to hit the
street tonight
To drive along these shit
town lights
I'm not growing up, I'm
Just burning out
And I stepped in line
to walk amongst the
DEAD
Apathy has pained on me
Now I'm feeling like a
soggy dream
So close to drowning but
I DON'T MIND
I've lived in this mental cave
Throw emotions in the grave
HELL, who needs them
anyway.

A.S.J.

HAVING A BLAST.

I'm taking all you down with me
Explosives duct taped to
my spine
Nothing's gonna change
my mind!

I won't listen to anyone's
last words
There's nothing left for you
to say
Soon you'll be dead
any way.

No one is getting out alive
this time I've lost my
mind and I don't care
So close your eyes
And kiss yourself goodbye
And think about the times
you spent and what they've
meant
To me It's nothing

I'm losing all my happiness
The happiness **YOU** pinned on my
Loneliness still comforts me
My anger DWELLS inside of me
I'm taking it all out on you
and all the shit you put
me through
Do you ever think back to
another time?

Did it bring you so down that
you thought you lost
your mind?
Do you ever want to lead a
long trail of destruction
and now down any **BULLSHIT**
that confronts you?
Do you ever build up all the
small things in your head
To make one problem that
adds up to **NOTHING**

WELCOME TO PARADISE.

Dear mother,
Can you hear me whining?
It's been three whole weeks
Since I left your home
This sudden fear has left
me trembling
Cause now it seems that I
am out here on my own
And I'm feeling so alone
Pay attention to the cracked
streets
And broken homes
Some call it the slums
Some call it nice
I want to take you through
a wasteland I like to call
my home
Welcome to Paradise

A gunshot rings out at the
station
Another urchin snaps and
left dead on his own
It makes me wonder why
I'm still here
For some strange reason
it's now
Feeling like my home
And I'm never gonna go

Dear Mother, can you hear
me laughing
It's been six whole months
since
I have left your home
It makes me wonder why
I'm still here
For some strange reason
it's now
Feeling like my home
And I'm never gonna go.

PULLING TEETH.

I'm all busted up
Broken bones & nasty cuts
ACCIDENTS WILL HAPPEN
But this time I can't get up
She comes to check on me
MAKING sure I'm on
my knees
After all she's the one
who put me in this **STATE**

:VIVA LA
JUNKPILE!

IS SHE ULTRA-VIOLENT?
IS SHE DISTURBED?
I better tell her, I LOVE her
Before she does it all over
again
OH GOD, SHE'S KILLING ME!!!

For now I'll lie around
HELL, that's all I can really do
She takes good care of me
Just keep saying my **LOVE**
is **TRUE**

Looking out my window for
Someone that's passing by
No one knows I'm
LOCKED in here
All I do is cry.

Billie Joe Tre' Mike

• COMING CLEAN •

Seventeen and strung out
On confusion
Trapped inside a roll of
dissillusion
I found out what it takes
to be a man
Mom and Dad will never
understand

Secrets collecting dust
but never forget
SKELETONS come to
LIFE in my closet

I found out what it takes
to be a man
Mom and Dad will never
understand
WHAT'S HAPPENING TO ME

Seventeen and COMING CLEAN
for the first time
I finally figured out myself
for the first time
I found out what it takes
to be a man
Mom and Dad will never
understand
WHAT'S HAPPENED TO ME

TUESDAY NIGHT AT WINCHELL'S!

• EMANIUS SLEEPUS •

I saw my friend the other day
and I don't know
Exactly just what he became
It goes to show
It wasn't that long ago
And now I think I'm sick and
I wanna go home

How have I been, how have
you been
It's been so long
What have you done with all
Your time
And what went wrong

I knew you back when
And you knew me
And how I think you're
sick
I wanna go home

Anybody ever say no?
Ever tell you that you weren't
right?
Where did all the little kid go?
Did you lose it in a hateful
fight?
And you know it's true

w/Rhy. Fig. 3 (Gtrs. 1 and 2)

A musical score for a single-line melody on a treble clef staff. The melody consists of eighth and sixteenth notes. Above the staff, four chords are labeled: E, G, A5, and C5, corresponding to the harmonic progression. Below the staff, the lyrics "want to take you through a waste-land I like to call my home." are written, with "(Aaa.)" preceding the first line. The melody starts on a note above the staff and descends through various intervals.

The image shows a musical score for guitar. The top staff is in treble clef, G major (one sharp), with a common time signature. It features a blues progression: G major (two chords), followed by a G7 chord (one bar), then a D major chord (one bar). A measure of rest follows. The bottom staff is a guitar tablature (TAB) showing six strings. The first five strings play eighth-note patterns corresponding to the chords above. The sixth string remains silent throughout. The TAB includes vertical bar lines at each measure boundary.

w/Rhy. Fig. 6 (Gtrs. 1 and 2, 2½ times)

A musical score for the song "Sometimes" by Bob Dylan. The score consists of a single staff with a treble clef and a key signature of four sharps. The lyrics are written below the staff. Chords are indicated above the staff at specific points: A5, B5, E5, Esus, and E. The lyrics read: "Some-times my mind ___ plays tricks ___ on _____ me."

Verse 1:

w/Rhy. Fig. 1 (Gtr. 1, 2½ times)

The musical score shows a treble clef staff with a key signature of one sharp (F#) and a time signature of common time (indicated by a 'C'). The first measure starts with a note followed by a fermata. The second measure is a rest. The third measure begins with a G5 chord (indicated by a vertical bar and 'G5') followed by a fermata. The fourth measure consists of three eighth-note groups, each with a fermata above it. The fifth measure starts with a D note followed by a fermata.

lone.

I was all by myself.

A musical score for a solo instrument, likely a guitar or ukulele, featuring a treble clef, a key signature of one sharp, and a common time signature. The score consists of two staves of four measures each. The first staff starts with a G5 chord, followed by an eighth note rest, a sixteenth note rest, and a measure of three eighth notes. The second staff begins with a D chord, followed by a sixteenth note rest, a measure of three eighth notes, and a G5 chord. The lyrics "No one was look - ing" are written below the first staff, and "I was thinkin' of" are written below the second staff.

No one was looking.

I was think-in' of

Musical score for 'Oh, yeah did I mention' in G major. The vocal line starts with a D note, followed by a G5 chord, and then continues with a melodic line. The lyrics 'Oh, yeah did I mention' are written below the notes.
