Don't Speak
Words & Music by Eric Stefani & Gwen Stefani

You and me.

used to be together, every day together, always.

I really feel that I'm losing my best friend, I
can't believe this could be the end. It looks-

as though you're letting go, and

if it's real then I don't want to know.

with my head in my hands I'll soon be crying.

Don't speak. I know just what you're sayin', so please stop explain-
Don't speak,
I know what you're thinkin',
I don't need your reasons,
don't tell me 'cause it hurts.

Old memories,
they can be inviting but some are
all together might y frightening.

It's all ending, we've got to stop pretending who we are.
You and me,

I can see us dying, aren't we?
