2. TUNING

Using harmonics on 12th fret

"o" Denotes a harmonic: Articulate by lightly touching string, without fretting, above fret and pluck with right hand

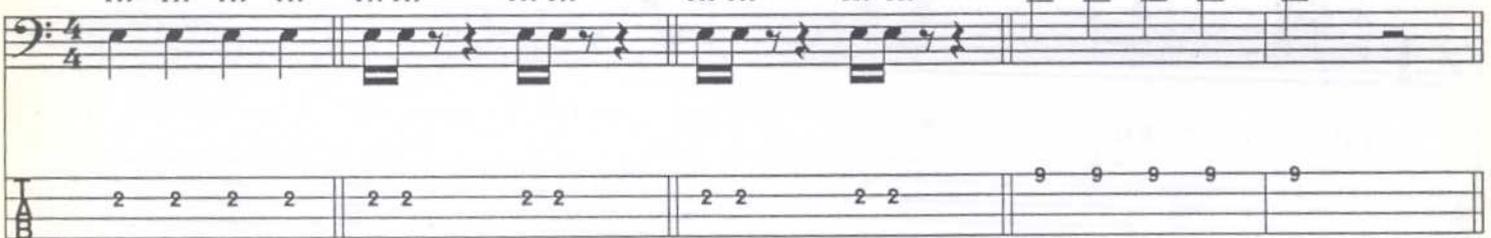

G string:  D string:  A string:  E string: 

The diagram shows four staves, each representing a string. The top staff is the bass clef. Below it are four staves, each with a natural clef and a '12' above the staff, indicating the 12th fret. Each staff shows a single note with an 'o' above it, representing a harmonic. The notes are: G string (B1), D string (F2), A string (C3), and E string (G3).

3. ELEMENTS OF SLAP TECHNIQUE

Single Thump TH TH TH TH Double Thump TH TH TH TH Pluck: P P P P P

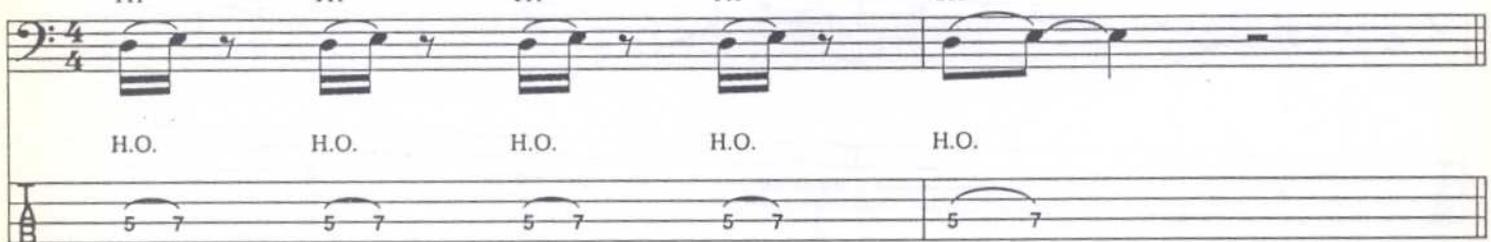

The diagram shows three exercises on a bass clef staff in 4/4 time. The first exercise is 'Single Thump' with four quarter notes, each marked 'TH'. The second is 'Double Thump' with four pairs of eighth notes, each pair marked 'TH TH'. The third is 'Pluck' with five quarter notes, each marked 'P'. Below the staff is a guitar fretboard diagram showing the fret numbers for each exercise: 2-2-2-2, 2-2-2-2, and 9-9-9-9-9.

Thumped Hammer-on

Hammer-ons will normally be two or more notes, the second note ascending from the first. Only the first note is thumped or plucked, as indicated by the slur with TH or P

TH TH TH TH TH

H.O. H.O. H.O. H.O. H.O.

The diagram shows five examples of thumped hammer-ons on a bass clef staff in 4/4 time. Each example consists of a first note followed by a second note, both slurred together. The first note is marked 'TH' and the second is marked 'H.O.'. Below the staff is a guitar fretboard diagram showing the fret numbers for each example: 5-7, 5-7, 5-7, 5-7, and 5-7.

Plucked Hammer-on

P P P P P

H.O. H.O. H.O. H.O. H.O.

The diagram shows five examples of plucked hammer-ons on a bass clef staff in 4/4 time. Each example consists of a first note followed by a second note, both slurred together. The first note is marked 'P' and the second is marked 'H.O.'. Below the staff is a guitar fretboard diagram showing the fret numbers for each example: 7-9, 7-9, 7-9, 7-9, and 7-9.

Thumped Pull-off

Pull-offs will normally be two or more notes. The second note descending from the first. Only the first note is thumped or pulled, as indicated by the slur with TH or P

Example of Thumped Pull-off in 4/4 time. The notation shows five measures on a bass staff. Each measure contains a pair of eighth notes with a slur over them. The first note of each pair is marked with 'TH' (thumped) and the second with 'P.O.' (pull-off). The fretboard diagram below shows the fingerings: 5-4, 5-4, 5-4, 5-4, and 5.

Plucked Pull-off

Example of Plucked Pull-off in 4/4 time. The notation shows five measures on a bass staff. Each measure contains a pair of eighth notes with a slur over them. The first note of each pair is marked with 'P' (plucked) and the second with 'P.O.' (pull-off). The fretboard diagram below shows the fingerings: 7-6, 7-6, 7-6, 7-6, and 7.

Slur or Slide

Articulate only 1st note, allowing this note to sustain, slide into next note

Example of Slur or Slide in 4/4 time. The notation shows three measures on a bass staff. Each measure contains a pair of eighth notes with a slur over them. The first note of each pair is marked with 'TH' (thumped) and the second with 'P' (plucked). The fretboard diagram below shows the fingerings: 9-5, 9-5, 9-5, 9-5, and 9-5.

Vibrato:

First type - Using 3rd or 4th finger, sliding quickly back and forth between two or three frets to sustain both notes as they alternate

Example of Vibrato in 2/4 time. The notation shows five measures on a bass staff. Each measure contains a pair of eighth notes with a slur over them. The first note of each pair is marked with 'V' (vibrato) and the second with 'P' (plucked). The fretboard diagram below shows the fingerings: 7-9, 7-9, () 12, 7-9, 7-9, () 12.

Vibrato

2nd type

Finger Vibrato - Pushing and pulling string rapidly across fret to vary the pitch slightly up and down rapidly

Musical notation for Finger Vibrato. The top staff is a bass clef in 2/4 time, showing a sequence of notes with wavy lines above them indicating vibrato. The bottom staff is a guitar fretboard diagram with frets 7 and 5 marked, and wavy lines above the strings indicating the vibrato effect.

Percussive, Choked or Muted Note

Left hand dampens or chokes the string indicated. Usually in the same position as the fretted notes surrounding the choked note, however only the string being choked will be indicated

I Muted Thump

TH TH TH TH TH

II Muted Pluck

P P P P P

Musical notation for Muted Thump and Muted Pluck. The top staff is a bass clef in 4/4 time. The first section (I Muted Thump) shows notes with 'x' marks below them and 'TH' labels above. The second section (II Muted Pluck) shows notes with 'x' marks below them and 'P' labels above. The bottom staff is a guitar fretboard diagram with 'x' marks on the strings corresponding to the notes above.

III Left Hand Choke

Hammer-on with fingers of left hand

LL LL LL LL LL

IV Wrist or Palm Mute -

Similar to left hand choke, but articulated with right hand wrist or palm instead of fingers. Usually in a rapid or advanced technique

W W W W W

Musical notation for Left Hand Choke and Wrist or Palm Mute. The top staff is a bass clef in 4/4 time. The first section (III Left Hand Choke) shows notes with 'x' marks below them and 'LL' labels above. The second section (IV Wrist or Palm Mute) shows notes with 'x' marks below them and 'W' labels above. The bottom staff is a guitar fretboard diagram with 'x' marks on the strings corresponding to the notes above.

Example of Alternating Muted Pluck and Wrist or Palm Mute

Musical notation for Alternating Muted Pluck and Wrist or Palm Mute. The top staff is a bass clef in 4/4 time, showing an alternating sequence of notes with 'x' marks below them and 'W' and 'P' labels above. The bottom staff is a guitar fretboard diagram with 'x' marks on the strings corresponding to the notes above.

Hammer-ons and Pull-offs, Plucks and Thumps

TH TH TH TH P TH TH TH TH P TH TH TH TH P TH TH TH TH P

Explanation of Pattern:

Start with thump on low E string Thumped hammer-on, 5th-7th fret A string

TH TH H.O.

Two muted thumps over E string.
7th fret, muting by dampening with left hand

Combination:

TH TH TH TH TH TH H.O. H.O.

Explanation (continued)

Variations:

Plucked hammer-on 7th to 9th fret, G string

Plucked pull-off, 7th to 5th fret, D string

Two musical staves are shown. The top staff is a bass clef staff with a plucked hammer-on (P) from the 7th to the 9th fret on the G string. The bottom staff is a guitar staff showing the fretting hand with a hammer-on from the 7th to the 9th fret on the G string, labeled H.O.

Plucked hammer-on 6th to 7th fret, G string

Plucked pull-off 5th to 4th fret, D string

Two musical staves are shown. The top staff is a bass clef staff with a plucked hammer-on (P) from the 6th to the 7th fret on the G string. The bottom staff is a guitar staff showing the fretting hand with a hammer-on from the 6th to the 7th fret on the G string, labeled H.O.

10. E MINOR PATTERN 2

Two musical staves in 4/4 time. The top staff shows a sequence of eighth notes with slurs and accents, including plucked hammer-ons (TH TH P) and pull-offs (TH TH P). The bottom staff shows the fretting hand with fret numbers (0, 5, 7, 4, 5, 0, 5, 7, 5, 7, 0, 5, 7, 6, 7) and 'x' marks for muted strings.

12. WRIST VIBRATO

Explanation

Begin w/octaves, A and G strings, 3rd fret:

same thing, slide up and slur into 5th fret:

The first part of the explanation shows a bass line starting on the 3rd fret of the A and G strings. The notation includes a triplet of notes (TH, P, TH) with a slur over the last two notes. The second part shows the same triplet, but with a slide up to the 5th fret indicated by a horizontal line above the notes.

Together:

slide it up to 7th fret

The 'Together' section is a 4/4 measure containing a sequence of notes and triplets. The first triplet (TH, P, TH) is on the 3rd fret. The second triplet (TH, P, TH) is on the 5th fret. The third triplet (TH, P, TH) is on the 7th fret. The measure ends with a triplet of notes (TH, TH, TH) on the 7th fret. The guitar part shows fretting changes from 3 to 5, 5 to 7, and 7 to 9, with a final slide to 0.

1st variation comes in - 2 note pluck, D and G string, starting on 9th fret, between 11th and 12th fret

The 1st variation is a 4/4 measure. The bass line features a triplet of notes (TH, TH, TH) on the 9th fret, followed by a pluck (P) on the 11th and 12th frets. The guitar part shows open strings (0) for the first two notes, followed by fretting on the 9th fret, and a final pluck on the 12th fret.

1st half slowly:

The '1st half slowly' section is a 4/4 measure divided into two bars. The first bar (bar 1) contains a triplet (TH, P, TH) on the 3rd fret, followed by a triplet (TH, P, TH) on the 5th fret. The second bar (bar 2) contains a triplet (TH, P, TH) on the 7th fret, followed by a triplet (TH, TH, TH) on the 7th fret. The guitar part shows fretting changes from 3 to 5, 5 to 7, and 7 to 9, with a final slide to 0.

2nd half of pattern is the same up to the variation - instead of double pluck a slide down from 19th fret on E string

Musical notation for the first pattern. The top staff is a bass line in 4/4 time, featuring four 'TH' (thumb) notes, followed by an '8va' marking with a dotted line and a slide. The bottom staff is a guitar line with fret numbers: 0, 0, x, x, 19, and a slide.

half:

Musical notation for the second pattern, labeled 'half:'. The top staff is a bass line in 4/4 time, featuring a sequence of 'TH' and 'P' (pick) notes. The bottom staff is a guitar line with fret numbers: 5, x, 7, x, 9, x, 0, 0, x, x, 19, and a slide.

13. HAMMER-ONS AND THUMPS

Musical notation for the first part of section 13. The top staff is a bass line in 4/4 time, featuring a sequence of 'TH TH TH' (thumb) notes. The bottom staff is a guitar line with fret numbers: 9, 5, x, 9, 5, x, 9, 5, x, 9, 5, 9, 5.

Musical notation for the second part of section 13. The top staff is a bass line in 4/4 time, featuring a sequence of 'TH TH TH' (thumb) notes, followed by 'P' (pick) notes. The bottom staff is a guitar line with fret numbers: 9, 5, x, 9, 5, x, 9, 5, x, 9, 5, 2, 4, 5, and a double bar line.

Explanation

Hammer-ons on 3rd to 5th fret on E, A and D strings, some octave thump/pluck at the end

Start with thumped hammer-on,
3rd to 5th fret to E string:

Then a choked thump:

Two staves of music. The top staff is a bass clef with a treble clef below it. The first measure shows a thumped hammer-on on the E string (3rd fret) with a slur over the notes and the label 'TH' above. The second measure shows a choked thump on the E string (3rd fret) with a slur over the note and the label 'TH' above. The bottom staff shows the fretboard with a slur from the 3rd to the 5th fret on the E string, and an 'x' on the 3rd fret in the second measure.

Then the same thing on A string:

Then a choked thump:

Two staves of music. The top staff is a bass clef with a treble clef below it. The first measure shows a thumped hammer-on on the A string (3rd fret) with a slur over the notes and the label 'TH' above. The second measure shows a choked thump on the A string (3rd fret) with a slur over the note and the label 'TH' above. The bottom staff shows the fretboard with a slur from the 3rd to the 5th fret on the A string, and an 'x' on the 3rd fret in the second measure.

Then the same thing on D string:

Back to the A:

Two staves of music. The top staff is a bass clef with a treble clef below it. The first measure shows a thumped hammer-on on the D string (3rd fret) with a slur over the notes and the label 'TH' above. The second measure shows a choked thump on the D string (3rd fret) with a slur over the note and the label 'TH' above. The bottom staff shows the fretboard with a slur from the 3rd to the 5th fret on the D string, and an 'x' on the 3rd fret in the second measure. A double bar line separates this from the next section.

Last part is: (with no muted notes)

Pattern so far:

Two staves of music. The top staff is a bass clef with a treble clef below it. The first measure shows two thumped hammer-ons on the E string (3rd fret) with slurs over the notes and the label 'TH TH' above. The second measure shows a 4/4 time signature and a pattern of notes with slurs and labels 'TH TH TH TH TH TH' above. The bottom staff shows the fretboard with slurs from the 3rd to the 5th fret on the E string, and 'x' marks on the 3rd fret in the second measure.

All together:

Then move all that up a step and a half (3 frets),
barring across 10th fret

20. HARMONIC CHORDS

[Harmonics are indicated by "o" - lightly touch string, without fretting, directly over notes or frets with this symbol and articulate near bridge by plucking string (s)]

This time instead of plucked hammer-on and then a thump hammer-on

Play this:
(to give time to prepare for harmonics)

Musical notation for a plucked hammer-on and thump hammer-on exercise. The top staff is in bass clef with notes G2, A2, B2, C3. The bottom staff is in treble clef with fret numbers 5, 0, 5, 7. Labels above the top staff are P and TH. Labels below the top staff are P-O and H-O. The exercise is divided into two measures by a double bar line.

After that, the chords are

Musical notation for chords Dsus, D, Asus, and A. The top staff is in bass clef with notes G2, A2, B2, C3. The bottom staff is in treble clef with fret numbers 5, 5, 7, 4, 5, 5, 7, 4. Labels above the top staff are Dsus, D, Asus, and A. The exercise is divided into two measures by a double bar line.
