When you find your medicine you take what you can get, 'Cause if there's something better, baby, well they haven't found it yet. Oh.

Verse 2
I don't need no needle to be giving me a thrill,
And I don't need no anaesthesia or a nurse to bring a pill.
I got a dirty down addiction, it doesn't leave a track,
I got a Jones for your affection like a monkey on my back.
There ain't no paramedic gonna save this heart attack.

When you need,
(that's what you get for falling in love,)
Then you bleed,
(you get a little, but it's never enough.)
When you're on your knees,
(That's what you get for falling in love.)
Now this boy's addicted 'cause your kiss is the drug.

Chorus 2
Your love is like bad medicine,
Bad medicine is what I need.
Oh, shake it up, just like bad medicine,
So let's play doctor, baby, cure my disease.
