2. You've been dying since the day you've been born.

The quartet of deliverance rides.
A sinner once, a sinner twice,
No need for confession now.
'Cause now you've got the fight of your life. *(To Coda)*

3. So gather round young warriors now
And saddle up your steeds.
Killing scores with demon swords.
Now is the death of doers of wrong.
Swing the judgment hammer down.
Safely inside armor, blood, guts and sweat. *(To Chorus)*

2. Bang your head against the stage like you never did before.
Make it ring, make it bleed, make it really sore.
In a frenzied madness with your leather and your spikes,
Heads are bobbing around, it's hot as hell tonight. *(To Chorus)*

3. Here on stage the Marshall noise is piercing through your ears.
It kicks your ass, kicks your face, exploding feeling nears.
Now's the time to let it rip, to let it fuckin' loose.
We're gathered here to maim and kill 'cause this is what we choose. *(To Chorus)*

4. Show is through, the metal's gone, it's time to hit the road.
Another town, another gig, again we will explode.
Hotel rooms and motorways, life out here is raw.
But we'll never stop, we'll never quit 'cause we're Metallica. *(To Chorus)*
