Love,
No, never too far away.

Though we can I think of
One bit of

yes - ter - day 'Cause I have learned that
you and me Al.

Love, You're never too far
too pain-ful to Talk "bout so I'll
hold it in till my heart can mend and be
brave enough to love again A place in time
still belongs to us stays preserved In my mind
In the memories there is so lace Love, Never too
Em7  Dm7  CMaj7  FMaj7
-ing lights— in-candes-cent eyes
still pre-served—

Em7  Dm7  Dm7/G
in my mind— In the mem-’ries I’ll find so-
lace
