Lean on me when you're not strong
and I'll be your friend...
I'll help you carry on, for it won't be long—

till I'm gonna need somebody to lean on.

Just call on me, brother, when you need a hand... We all need somebody to lean on. I just might have a problem that...
you'd understand. We all need somebody to lean on. Lean on me

when you're not strong and I'll be your friend

I'll help you carry on, for it won't be long

To Coda  D.S. (no repeats) al Coda

till I'm gonna need somebody to lean on...
We be jam-min',

we be jam-min',

we be jam-min'.

We be jam-min',

we be jam-min',

we be jam-min'.

jam-min',

we be jam-min',

we be jam-min'.

jam-min'.
Just call me when you need a friend.

Call me, oh, baby now. Call me when you need a friend.

Call me oh, baby now. Call me early in the morn-in', now.

Repeat and fade
