Words

Smile an ever-lasting smile; a smile could bring you near to me.

Talk in ever-lasting words and dedicate them all to me.
Don't ever let me find you gone 'cause that would bring a tear to me.
And I will give you all my life I'm here if you should call to me.
This world has lost its glory You think that I don't even let's start a brand-new story now, my love.
So means... a single word I say.
You think that I don't even mean a single word I say.
It's only words, and words are all I have to take your heart away.

It's only words, and words are all I have to take your heart away.
