I'LL BE MISSING YOU

FROM TRIBUTE TO THE NOTORIOUS B.I.G.

Seems like yesterday we used to rock the show
I laced the track, you love the flow
so far from hanging on a block of dough
(2° see block lyric)

Notorious, they got to know that life ain't always what it seemed to be
Words can't express what you mean to me
even though you're gone we're still a team through your family I'll fulfill your dreams. In the future can't wait to see if you

open up the gates for me, reminisce sometime, the night they took my friend try to black it out but it plays again

wearin' this grief it's hard to conceal, can't imagine all the pain I feel, give anything to hear half your breath I know you're

Ev'-ry step I still living a life after death. Ev'-ry move, I

make. _every single day, _every time_ I pray._

Em

what a life to take what I'm bound to break. I'll be missing_
1. From that morning when this life is over,
   I know I'll see your face.

2. Every night I pray...
ev'ry step I take, ev'ry move I make ev'ry sin gle day,
(Spoken 2*) And we won't stop, 'cause we can't stop.

Ev'ry night I pray ev'ry step I take ev'ry move I make.
(Spoken 1*) Ev'ry day that passes is a day that's getting closer

Ev'ry sin gle day. Ev'ry night I pray. Ev'ry night I pray.

Verse 2:
It's kinda hard with you not around
Know you're in heaven smiling down
Watching us while we pray for you
Every day we pray for you
Till the day we meet again
In my heart is where I keep a friend
Memories give me the strength I need to proceed
Strength I need to believe.

Heart so big I just can't define
Wish I could turn back the hands of time
Us in a six, sharp and new clothes and kicks
You and me takin' flicks
Make a hit, stages they receive you on
Still can't believe you're gone
Give anything to hear half your breath
I know you're still living your life after death.
