I step off the train, I'm walk - ing down your street a - gain,

Verse 2:

Could you be dead?
 You always were two steps ahead of everyone
 We'd walk behind while you would run
 I look up at your house
 And I can almost hear you shout down to me
 Where I always used to be
 And I miss you.

Verse 3:

Back on the train
 I ask why did I come again?
 Can I confess I've been hanging 'round your old address
 And the years have proved
 To offer nothing since you moved
 You're long gone but I can't move on
 And I miss you.
