What U See (Is What U Get)

Words & Music by Per Magnusson, David Kreuger, Jörgen Elofsson & Rami Yacoub

1. You used to say that I was
   special, every thing was bright... But now you think I'm wear ing too much make-

up, that my dress is too tight. You got no reasons to be
jealous, I've never been untrue. So does it really matter if they're
lookin'? I'm only lookin' at you. You should never try to
change me. I can be nobody else, and I like the way I am. What you
see
is what you get.
This is me, (hey— you) if you
want me, don’t for— get you should take me as I am cos I can
promise you baby, what you see is what you get.

get.

Ah, ah.

Ah, ah.
Ah, ah. Ah, ah. You should never try to change me. I can be nobody else.

(Ah.) Believe me, you'll be lookin' for trouble if you hurt me. I can promise you, oh, you'll be
look-in' for trouble oh, believe me._ Yeah, yeah, yeah. What you

get.

Cos I can promise you baby, what you see is what you get.

Verse 2:
I know you watch me when I'm dancin'
When I party with my friends
I can feel your eyes on my back, baby
A-na-na
I can't have no chains around me
Baby can't you see
I could be anything you dream of
But I gotta feel free
You should never try to change me
I can be nobody else
And I like the way I am.

What you see etc.
