Hey Jude, don't make it bad
Take a

sad song and make it better
Remember to let her into your

get her

get her

Remember to let her into your heart
Then you begin

Then you can start

to make it better

to make it better

And anytime you feel the pain
So let it out and let it in

Hey Jude refrain don't carry the world upon your shoulders
Hey Jude begin you're waiting for someone to perform

For well you know that it's a fool who plays it cool
And don't you know that it's just you, Hey Jude you'll do

By making his world a little colder
The movement you need is on your shoulder

Don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it better, better, better, better
