So lately  
You're wondering

Who will be there to take my place  
When I'm gone

You'll need love to light the shadows on your face
If a great wave shall fall
Fall
upon us all
Then between sand and stone

Could you make it on your own
If I could

Then I would
I'll go wherever you will go

Way up high or down low
I'll go wherever
ever you will go  Maybe I'll find out

A way to make it back someday  To want you

To guide you  Through the darkest of your days

If a great wave shall fall and fall

Upon us all  Then I hope there's someone out
these who can bring me back to you

then I would

Way up high

or down low

Run away with my heart

Run away with my hope
Run away with my love

I know now just quite how
My life and love

might still go on In your heart In your mind

I'll stay with you for all of time If I could

Then I would Ill go where ever you will go
Way up high
Or down low
I'll go where you will go
If I could turn back time
I'll go where you will go
If I could make you make
I'll go where you will go
I'll go where
ever you will go
