ANYTIME YOU NEED A FRIEND

Moderate ballad

Words and Music by MARIAH CAREY and WALTER AFANASIEFF

If you're lonely
When the shadows
are closing in

and troubles seem like
diminish-ing,

just remember
just remember
to keep the faith
you're not alone
Fmaj7  Bm7(no 5)        E7        Am

and love will be there  to light the way.
and love will be there  to guide you home.

G                 Dm7   C/E      G

An-y-time you need a friend I will be here.  You'll nev-er be a-lone a-gain

Dm7   C/E      G

so, don’t you fear.  E-ven if you’re miles a-way,  I’m by your side.

Dm7   C/E      G

So, don’t you ev-er be lone-ly.
Love will make it all right.

If you just believe in me.

I will love you endlessly.

Take my hand. Take me into your heart.

I'll be there forever, baby.

I won't let go.

I'll never let
Any time you need a friend
I will be here.

You'll never be alone again
so, don't you fear.

Even if you're miles away,
I'm by your side.
So, don't ever be lonely.
It's alright.

Any time you need a friend
