But love remains a drug that's the high and not the pill. But did you know that when it snows, my eyes become large and the light that you shine can't be seen?  

I compare you to a kiss from a rose on the
grey. The more I get of you the stranger it feels, yeah.

And now that your rose is in bloom,

light hits the gloom on the grey.

Baya

ya ba da ba da da da ba ya ya.
I've been kissed by a rose on the grey.

I've been kissed by a rose.
Verse 2:
There is so much a man can tell you, so much he can say.
You remain my power, my pleasure, my pain.
Baby, to me you're like a growing addiction that I can't deny.
Won't you tell me, is that healthy babe?
But did you know that when it snows,
My eyes become large and the light that you shine can't be seen?
