WOULDN'T IT BE NICE

Wouldn't it be nice if we were older.
Then we wouldn't have to wait so long.

Wouldn't it be nice if we could wake up.
In the morning when the day is long.

And wouldn't it be nice to live together.
In the kind of new.
And after that to spend the day together.
Hold each other.

world where we'd be long
close the wholenight through
Though it's gonna make it that much better
The happy times to gether we'd been spending

When we can say goodnight and stay
together
I wish that evry kiss was never ending
Wouldn't it be

Oh wouldn't it be nice

Well maybe if we

think and wish and hope and pray it might come true

Baby then there
talk about it... If only makes it worse to live without...

But let's talk about it...

Oh wouldn't it... be nice.
