And when you rise in the morning sun
I feel you touch
me in the pouring rain
And the moment that you wander far
from me I wanna feel you in my arms again.
When you come
to me on a summer breeze
Keep me warm in your love then you soft
in my deepest darkest hour. You’re my saviour when I fall —

And you may not think that I care for you When you know —

down inside that I really do And it’s me you need to show —

How deep is your love? Is your love? How deep is your love?

I really need to learn ‘Cause we’re living in a world of fools
