1. Dear-

Oh, Oh.

1. Dear-

Oh, Oh.

1. Dear-

Oh, Oh.

di - a - ry,

(Verse 2 see block lyric)
wondered if he noticed me. He took my breath away. Dear,

diary,
I can’t get him off my mind and it

scares me cos I’ve never felt this way.

no-one in this world knows me better than you do.
1. Diary
I'll confide in you...

2. Diary

Tell me what to say...

One touch of his hand, now I can't wait to see that boy again.

He smiled,...

and I thought my heart could fly...

Mm, Diary
Verse 2:
Dear diary
Today I saw that boy
As he walked by I thought he smiled at me
And I wondered
Does he know what’s in my heart?
I tried to smile, but I could hardly breathe
Should I tell him how I feel
Or would that scare him away?
Diary, tell me what to do
Please tell me what to say.
