- light, star-light. There's a magical feeling so right

It will steal your heart to-night. You can try to resist, try to hide

from my kiss, but you know, but you know, that you can't fight the moon-light. Deep

in the dark you'll surrender your heart, but you know, but you know, that you
can't fight the moon-light. No, you can't fight it. It's gonna get to your heart.

it no matter what you do the night is gonna get to you.

to resist. Try to hide from my kiss, but you know, but you know, that you
can't fight the moon-light. Deep in the dark you'll surrender your heart, but you know,

but you know, that you, can't fight the moon-light. No, you can't fight.

it you can try

2. G

it star-light gets in your heart.

There's no escaping love
Once a gentle breeze (once a gentle breeze)
Sweeps it's spell upon your heart
And no matter what you think
It won't be to long
'Till you're in my arms
Underneath the starlight, starlight
We'll be lost in the rythm so right
It will steal your heart tonight
