I'm standing on the bridge
I'm waiting in the dark

thought that you'd be here
by now

There's nothing but the rain
No footsteps on the ground

listening but there's no sound
Isn't anyone trying to find me
Won't somebody come take me home
It's a damn cold night I try to figure out this life
Won't you take me by the hand take me somewhere new
I don't know who you are but I'm with you
I'm looking for a place
searching for a face
nothing's going right
no one likes to be alone
fusing

Is anybody here
I know--
And everything's a mess
Why is everything so con-

May be I'm just out of my mind
Yeah
Yeah, yeah Yeah, yeah yeah, yeah Yeah, yeah Yeah

Yeah It's a damn cold right I try to figure out this

life Won't you take me by the hand take me somewhere new I don't

know who you are but I'm with you

I'm with you Wongbu take my by the hand take me
