TABLATURE EXPLANATION

TABLATURE A six-line staff that graphically represents the guitar fingerboard. By placing a number on the appropriate line, the string and fret of any note can be indicated. For example:

5th string, 3rd fret

1st string, 15th fret,
2nd string, 15th fret,
played together

an open E chord

Definitions for Special Guitar Notation (For both traditional and tablature guitar lines)

BEND: Strike the note and bend up $\frac{1}{2}$ step (one fret).

BEND: Strike the note and bend up a whole step (two frets).

LEGATO BEND AND RELEASE: Strike the note. Bend up $\frac{1}{2}$ (or whole) step, then release the bend back to the original note. All three notes are tied; only the first note is struck.

GHOST BEND: Bend the note up $\frac{1}{2}$ (or whole) step, then strike it.

GHOST BEND AND RELEASE: Bend the note up $\frac{1}{2}$ (or whole) step. Strike it and release the bend back to the original note.

UNISON BEND: The lower note is struck slightly before the higher. It is then bent to the pitch of the higher note. They are on adjacent strings.

VIBRATO: The string is vibrated by rapidly bending and releasing a note with the fret hand or tremolo bar.

SHAKE OR EXAGGERATED VIBRATO: The pitch is varied to a greater degree by vibrating with the fret hand or tremolo bar.

SLIDE: The first note is struck and then the same finger of the fret hand moves up the string to the location of the second note. The second note is not struck.

SLIDE: Same as above, except the second note is struck.

SLIDE: Slide up to the note indicated from a few frets below.

SLIDE: Strike the note and slide up an indefinite number of frets, releasing finger pressure at the end of the slide.

PICK SLIDE: The edge of the pick is rubbed down the length of the string. A scratchy sound is produced.

HAMMER-ON: Strike the first (lower) note, then sound the higher note with another finger by fretting it without picking.

PULL-OFF: Both fingers are initially placed on the notes to be sounded. Strike the first (higher) note, then sound the lower note by pulling the finger off the higher note while keeping the lower note fretted.

FRETBOARD TAPPING: Hammer ("tap") onto the fretboard with the index or middle finger of the pick hand and pull off to the note fretted by the fret hand ("T" indicates "tapped" notes).

TREMOLO PICKING: The note is picked as rapidly and continuously as possible.

NATURAL HARMONIC: The fret hand lightly touches the string over the fret indicated; then it is struck. A chime-like sound is produced.

ARTIFICIAL HARMONIC: The fret hand fingers the note indicated. The pick hand produces the harmonic by using a finger to lightly touch the string at the fret indicated in parentheses and plucking with another finger.

ARTIFICIAL "PINCH" HARMONIC: The note is fretted normally and a harmonic is produced by adding the edge of the thumb or the tip of the index finger of the pick hand to the normal pick attack. High volume or distortion will allow for a greater variety of harmonics.

TREMOLO BAR: The pitch of a note or chord is dropped a specified number of steps, then returned to the original pitch.

PALM MUTE (P.M.): The note is partially muted by the pick hand lightly touching the string(s) just before the bridge.

MUFFLED STRINGS: A percussive sound is produced by laying the fret hand across the strings without depressing them to the fretboard and striking them with the pick hand.

2. Sometimes it's hard to hold on,
So hard to hold on to my dreams.
It isn't always what it seems
When you're face to face with me.
You're like a dagger and stick me in the heart
And taste the blood from my blade.
And when we sleep, would you shelter me
In your warm and darkened grave?

The musical score for 'The Rose Tree' is presented in two systems. The first system contains the melody in treble clef, starting with a key signature of one flat (Bb) and a common time signature (C). The melody features various ornaments, including slurs, grace notes, and trills, and is marked with 'sl.' (slur) and 'P' (piano). The second system contains the bass line in bass clef, which includes fingerings (e.g., 12, 14, 15) and is also marked with 'sl.' and 'P'. The piece concludes with a final cadence in the bass line.

Gtr. II Rhy. Fig 1 (end Rhy. Fig. 1) sl.

The musical score consists of two systems. The first system features a guitar part labeled "Gtr. II" and a vocal line. The guitar part is written on a single staff in G major (one sharp) and 7/4 time. It begins with a forte (*f*) dynamic and includes the instruction "Rhy. Fig 1". The vocal line has lyrics "I'm gonna get you back" and ends with a slur over the final notes. The second system continues the guitar part, which concludes with the instruction "(end Rhy. Fig. 1)". The vocal line continues with the lyrics "and I'll be there for you" and ends with a slur. Below the vocal staves are three lines of tablature for guitar, labeled T, A, and B from top to bottom. These lines provide fret numbers for each string across the measures of the piece.

The musical score consists of two staves. The top staff is a standard five-line staff with a treble clef. It begins with a C5 chord symbol above the first measure. The notation includes various chords: Gtr. II, Cm, Ab5, Bb5, Cm, Ab5, and Bb5. There are also notes and rests throughout the piece. A double bar line with a repeat sign follows the final measure. Below the staff, there are performance instructions: "w/Flanger or chorus" and "P.M. mf".

The bottom staff is a fretboard diagram corresponding to the top staff. It shows the fret numbers for each string. The strings are numbered 1 to 6 from right to left. The fret numbers are as follows:

- String 1 (Rightmost): 5, 5, 3
- String 2: (5), (5), (3)
- String 3: 10, 10, 8, 10, 8, 8
- String 4: 10, 10, 8, 8, 8, 8
- String 5: 10, 10, 8, 8, 8, 8
- String 6 (Leftmost): 10, 10, 8, 8, 8, 8

A double bar line with a repeat sign follows the final measure.

The musical score is written for a single melodic line on a treble clef staff. The key signature has two flats (B-flat and E-flat), and the time signature is 4/4. The score begins with a series of whole notes: B-flat, E-flat, C-flat, and D-flat, each with a corresponding chord symbol above it (E-flat, C-flat, A-flat major 7, and D-flat). The melody then moves to a series of eighth notes, starting on a B-flat. The lyrics 'Why don't you fol - low your dreams?_' are written below the staff. The score includes various musical notations such as slurs, ties, and dynamic markings like 'sl.' (sforzando) and 'H P' (half note, piano). There are also some unusual markings like '8va' and '3-' which might be misprints or specific performance instructions. The score ends with a final chord of D-flat.

The image shows a musical score for the song "The Rose Tree". It consists of three staves: a vocal line at the top, a guitar accompaniment in the middle, and a double bass line at the bottom. The key signature is one flat (B-flat major or D minor). The tempo is marked "Allegretto".

Vocal Line: The melody is written in a treble clef. It begins with a whole note G4, followed by a half note A4, and then a series of eighth and sixteenth notes. The lyrics "The Rose Tree" are written below the notes. The melody ends with a whole note G4.

Guitar Accompaniment: The guitar part is written in a treble clef. It features a series of chords and arpeggios. The first measure is a whole note chord (G4-B4-D5). The second measure is a half note chord (A4-C5-E5). The third measure is a half note chord (B4-D5-F#5). The fourth measure is a half note chord (C5-E5-G5). Musical score for "The Rose Tree" in 7/4 time. The score is written for a single melodic line on a treble clef staff. The key signature has one flat (B-flat). The melody consists of a series of eighth notes, each beamed to a dotted quarter note. The notes are: C (quarter rest), E-flat, F, C, E-flat, F, C, E-flat, F. Above the staff, the notes are labeled with their letter names: C, E-flat, F, C, E-flat, F, C, E-flat, F. A dashed line labeled "8va" is positioned above the first C. The score is divided into measures by vertical bar lines. The first measure contains the first C and a quarter rest. The second measure contains E-flat. The third measure contains F. The fourth measure contains C. The fifth measure contains E-flat. The sixth measure contains F. The seventh measure contains C. The eighth measure contains E-flat. The ninth measure contains F. The score ends with a double bar line.

Additional Lyrics

2. I sit here on the stairs 'cause I'd rather be alone.
 If I can't have you right now I'll wait, dear.
 Sometimes I get so tense but I can't speed up the time.
 But you know, love, there's one more thing to consider.

Said, woman, take it slow and things will be just fine.
 You and I'll just use a little patience.
 Said, sugar, take the time 'cause the lights are shining bright.
 You and I've got what it takes to make it.
 We won't fake it, ah, I'll never break it 'cause I can't take it. *(To Gtr. solo)*
